

INTERFACILITY TRANSPORT ADVANCED LIFE SUPPORT (IFT-ALS) SERVICE PROVIDER CRITERIA

I. AUTHORITY:

California Health and Safety Code, Division 2.5-1797.218. California Health and Safety Code, Division 2.5 – 1791.200, 1797.206, 1797.208, and 1797.214. California Title 22, Section 100144; (b):

II. APPLICATION:

- A. This policy defines the criteria for licensure of an Interfacility Transport Advanced Life Support (IFT-ALS) service provider by Orange County Emergency Medical Services (OCEMS). Licensure as an OCEMS IFT-ALS service provider is in addition to an OCEMS basic ambulance license.
- B. IFT-ALS service providers are authorized to perform advanced life support (ALS) transports that are requested by medical order of a California licensed physician or licensed medical provider representing a California authorized healthcare provider organization or agency. Appropriate transports are those that can be conducted within the scope of practice of California licensed and OCEMS Accredited IFT-ALS personnel (See OCEMS ALS Standing Order IFT-SO-3).
- C. A prospective IFT-ALS service provider shall submit a written application that addresses each element of Section III below to:

Orange County EMS Medical Director
Orange County Emergency Medical Services
405 W. 5th Street, Suite 301A
Santa Ana, CA 92701

III. CRITERIA:

- A. An IFT-ALS service provider shall identify the number of IFT-ALS units in service and provide a statement of coverage for specific geographical areas for proposed IFT-ALS service units.
- B. An IFT-ALS service provider must comply with OCEMS requirements for uniform electronic record keeping, data collection and electronic submission of all Orange County EMS data system elements to the OCEMS OC-MEDS data system.
- C. An IFT-ALS service provider must use OCEMS IFT-SO--3 based dispatch protocols approved by OCEMS that determine the appropriate level for dispatch of incoming calls, including: BLS level, ALS level, SCT (Registered Nurse staffed) level, and referral to the 911 System for emergency medical aid (Also Refer to OCEMS P/P 310.20 Attachment A).
- D. The IFT-ALS service provider application shall include:
 - 1. Documentation of licensure as an Orange County ambulance provider with OC MEDS (OCEMS county-wide data system) capability.
 - 2. Agreement to respond within the stated geographic service area (Section III, A) and transport any patient (regardless of payer status) in need of ALS transport for which the requirements of the transport are within the scope of practice of IFT-ALS.
 - 3. Agreement to provide service response on an uninterrupted daily, continuous 24 hour basis.

**INTERFACILITY TRANSPORT ADVANCED LIFE SUPPORT
(IFT-ALS) SERVICE PROVIDER CRITERIA**

-
4. Agreement to respond for an unscheduled IFT-ALS level transport call within the stated geographic area of service (Section III, A) within a maximum 30 (thirty) minutes of the initial contact of the provider dispatch center.
 5. Agreement to adhere to applicable sections of the California Health and Safety Code, California Title 22 and to OCEMS policies, standing orders, and procedures.
 6. Minimum staffing of an IFT-ALS ambulance is one OCEMS Accredited IFT-ALS paramedic and one OCEMS Accredited EMT. It is preferred that an IFT-ALS paramedic new to Orange County have three months field experience with an OCEMS Accredited IFT-ALS paramedic before staffing on a 1 paramedic:1 EMT basis.
 7. A list of all licensed and locally accredited IFT-ALS personnel sponsored by the IFT-ALS service provider.
 8. The full IFT-ALS medication and equipment inventory must be stocked on each IFT-ALS unit as described in OCEMS Policy # 325.20, subject to inspection at any time.
 9. An identified, qualified IFT-ALS program coordinator who is a California licensed Registered Nurse with a minimum of three (3) years experience in emergency or critical care nursing or advanced life support transport that will be the liaison with OCEMS and conduct mandatory OCEMS system updates and ongoing training of IFT-ALS staff of the provider.
 - A. The IFT-ALS Coordinator will be familiar with OCEMS policies, standing orders, and procedures and perform or oversee the following tasks:
 - 1) Orient IFT-ALS personnel to the OCEMS IFT-ALS program.
 - 2) Maintain documentation of IFT-ALS personnel orientation to the OCEMS IFT-ALS program.
 - 3) Develop and maintain an OCEMS approved IFT-ALS quality assurance plan as set forth by OCEMS policy and procedures. A copy of the provider IFT-ALS quality assurance plan must accompany the application and the appropriate current plan with an annual report of quality assurance activities shall be submitted yearly to OCEMS.
 - 4) Assure that IFT-ALS personnel adhere to BLS and IFT-ALS Standing Orders approved by the OCEMS Medical Director.
 - 5) Ensure the ongoing education and competency of all IFT-ALS personnel.
 10. IFT-ALS service provider policies for:
 - A. Notification of OCEMS of IFT-ALS service provider operational modifications including:
 - 1) Proposed changes in number of units or unit locations.
 - 2) Proposed changes in geographic area coverage for IFT-ALS services.
 - 3) IFT-ALS Coordinator changes and office site changes.
 - 4) Changes in status of IFT-ALS OCEMS licensed and accredited personnel.
 - B. Mechanism to receive, respond to, and notify OCEMS (with specific complaint or circumstances) of the following occurrences and a copy of the appropriate transport Prehospital Care Report [PCR] for:
 - 1) All patient complaints (excluding billing) involving an IFT-ALS transport.

INTERFACILITY TRANSPORT ADVANCED LIFE SUPPORT (IFT-ALS) SERVICE PROVIDER CRITERIA

- 2) Hospital complaints regarding IFT-ALS transports.
 - 3) Violations of OCEMS policies or standing orders.
- C. To work in conjunction with OCEMS when evaluating IFT-ALS medical and communication equipment.
 - D. Provide field internship opportunities for paramedic trainees from OCEMS approved paramedic training programs.
 - E. Ensuring all OCEMS accredited IFT-ALS personnel attend and successfully pass exams to show competence in OCEMS mandatory updates for EMS personnel. To ensure all IFT-ALS personnel are updated when revisions to IFT-ALS Standing Orders are made by the OCEMS Medical Director.
 - F. Maintenance and training of IFT-ALS personnel for appropriate communication equipment to allow for contact of the Orange County Communications radio system.
 - G. The timely reporting of infectious disease exposures to other health care providers and facilities possibly exposed and methods for timely medical care and prophylaxis (as appropriate) for service provider IFT-ALS and other service provider personnel.
 - H. Addressing the approved method for handling, transporting, storing, and disposing of biomedical waste.
 - I. Regular inspection for and resupply of used or expired medications and equipment.
 - J. Ensuring and maintaining documentation (when not medically contraindicated for an Individual) of annual influenza vaccination and tuberculosis testing for IFT-ALS staff who are in direct patient contact.

IV. LICENSURE:

- A. Upon initial application for licensure as an IFT-ALS Service provider:
 - 1) An IFT-ALS service provider license is valid from the date of issue until December 31 of the same calendar year.
 - 2) An IFT-ALS service provider license is nontransferable.
- B. Upon application for annual renewal of licensure.
 - 1) License renewals shall be made in the same manner as an initial application.

V. NONCOMPLIANCE:

- A. Initial License Application Inspection:
 1. An ambulance service license will not be issued to an applicant for ambulance service license until all items of non-compliance identified by OCEMS are corrected and re-inspected by OCEMS.
 2. If an ambulance provider applicant cannot correct items of non-compliance within 30 days of a second company inspection, their application will be ineligible for reconsideration for 365 days.
 3. If there is evidence of intent to mislead the agency in the initial application, the application will be denied and ineligible for reconsideration for 730 days.

**INTERFACILITY TRANSPORT ADVANCED LIFE SUPPORT
(IFT-ALS) SERVICE PROVIDER CRITERIA**

4. Licensure fees are non-refundable.

B. Annual License Renewal Inspection:

An ambulance service license renewal will not be issued until all items of non-compliance identified by OCEMS during annual inspection are corrected and re-inspected by OCEMS.

1. An ambulance service license will not be issued for an ambulance service provider until all items of non-compliance identified by OCEMS are corrected and re-inspected by OCEMS.
2. If an ambulance provider applicant cannot correct items of non-compliance within 30 days of a second company inspection, their application will be ineligible for reconsideration for 365 days.
3. If there is evidence of intent to mislead the agency in the application, the application will be denied and ineligible for reconsideration for 730 days.
4. Licensure fees are non-refundable.

C. Other Inspections:

For an inspection of an ambulance service which is not an initial or renewal inspection, the following shall apply when items of non-compliance are identified by the OCEMS:

1. At the time of inspection, OCEMS shall indicate in writing to the licensee specific items of non-compliance, time frame for correction and date of re-inspection. It is the responsibility of the ambulance service operator to arrange for re-inspection within required time frame.
2. If items of non-compliance are not corrected and re-inspected by OCEMS within the time frame designed by OCEMS, a complaint may be filed by OCEMS staff or OCEMS staff may recommend to the OCEMS Medical Director that the ambulance service license be suspended or revoked.

D. It is the responsibility of the IFT-ALS Service Provider to arrange for re-inspection within the required time frame.

VI. HEARING / SUSPENSION / REVOCATION:

- A. OCEMS may deny, suspend, or revoke the approval of an IFT-ALS service provider for failure to comply with state and county statutes, regulations, and ordinances or applicable OCEMS policies.
- B. A licensed IFT-ALS provider that has been suspended or revoked may request a hearing as described by OCEMS Policy # 645.00, a copy of which may be viewed on the Orange County EMS Internet website.
