What is happening today

- 2 hour event operational period from 1600 to 1800 PST
- POD exercise pill dispensing (simulation)
- Response will be based according to procedures and instructions provided from Unified Command or immediate supervisor
- Multiple agencies are a part of this exercise and its response
- Public participants provide an opportunity to conduct a realistic response

What will you do today

- Check in at Staff Registration and receive vest and supporting documentation and supplies based on position assignment. Pick up communication device if you are assigned one.
- Attend briefings (All-Staff, Section, etc.)
- Adhere to timeline and ensure the completion of timeline activities
- Report to designated supervisor and/or area within the POD. Obtain:
 - Briefing from Supervisor
 - Any additional forms or equipment needed to complete job task
- Follow plans, policies and procedures set forth by Supervisor
- If assigned a communication device, use the channel assigned
- Upon exit:
 - Return Vest and communication device
 - Complete Player evaluation
- Notify supervisor of any real world emergencies by saying "THIS IS A REAL EMERGENCY"

Other exercise staff

Controllers – may direct response slightly in order to ensure exercise plan is adhered to. Notify a **Controller** if you have any safety-related concerns.

Evaluators - present to observe and ensure exercise objectives are met.

October 18, 2018
